"So Damn Stupid"

Visit "[So Damn Stupid](#)" on MotoLyrics.com

first opportunity given to be upfront
i shyed away, wasn't quite sure what to say
sitting here telling you half the truth
and you know something's been missing
girl you know i've been creepin'
we're fussin', we're fighting
i'm tryna convince you
if you know what i knew, the truth would convince you
i'm tryna to let you know what's going on inside of me
i've gotta get this burden up off of me

now i ain't gonna lie, girl i got this freaky side
and it just be calling me, calling me sometimes
didn't mean to make you cry and it's hurting me inside
cos i feel your pain, girl i feel your pain
i was dumb, i was dumb, i was dumb, i was dumb
and now i'm feeling stupid, so stupid
i was dumb, i was dumb, i was dumb, i was dumb
i'm so damn stupid, it was stupid (yeah)

second opportunity given to be upfront
i tried to say what i did was ok (ah ah no)
i was wrong and i never meant to hurt you
i wanna take it back, i wish i could take it back
we're fussin', we're fighting
i'm tryna convince you
if you know what i knew, the truth would convince you
i'm tryna to let you know what's going on inside of me
i've gotta get this burden up off of me
so here it is

now i ain't gonna lie, girl i got this freaky side
and it just be calling me, calling me sometimes
didn't mean to make you cry and it's hurting me inside
cos i feel your pain, girl i feel your pain
i was dumb, i was dumb, i was dumb, i was dumb
and now i'm feeling stupid, so stupid
i was dumb, i was dumb, i was dumb, i was dumb
i'm so damn stupid, it was stupid (yeah)

what can i say to make you understand where i'm

coming from
(where i'm coming from)
honestly i'm not the type of guy that you think i am
but i made you believe it girl
with all the silly games that i chose to play
i never meant to break your heart
(not meant to hurt your heart)
now you're putting up with all of this and all my sh*t
now i finally realize ain't no need for me to lie

now i ain't gonna lie, girl i got this freaky side
and it just be calling me, calling me sometimes
didn't mean to make you cry and it's hurting me inside
cos i feel your pain, girl i feel your pain
i was dumb, i was dumb, i was dumb, i was dumb
and now i'm feeling stupid, so stupid
i was dumb, i was dumb, i was dumb, i was dumb
i'm so damn stupid, it was stupid (yeah)

now i know i was wrong and i know i hurt your feelings
and i promise that i would never do that sh*t again
now i know i was wrong and i know i hurt your feelings
and i promise that i would never do that sh*t again

i was dumb, i was dumb, i was dumb, i was dumb
yeah i'm stupid, stupid
i was dumb, i was dumb, i was dumb, i was dumb
so damn stupid, stupid (yeah)
