Something cool went down  
As I was walking with a friend of mine  
And I still remember  
How she was smelling like the summer time

And ooh, how it changed my mind  
Changed everything about that kind of girl

And it feels so good loving you, yeah  
It's so good the way you do the do  
It feels so good and I need oxygen  
Little bit of heaven doing 24-7 again  
Yeah, again and again

Like I was sayin'  
My little cupid was a real super freak  
And by the time that I came down  
I'd get locked up in a room for a week

And ooh, how she changed my mind  
Changed everything about this crazy world

It feels so good loving you, yeah  
It's so good the way you do the do  
It feels so good, yeah and by the way  
Little bit of heaven 24-7 times a day

A long hair, a double dare  
And I swear a little bit'll do you some good  
You say where, I'm goin' there  
And I swear, can't get enough of you  
Lady

Lady  
Yeah, yeah, yeah

Ma bon soir, excusez-moi  
Your ooh la la is gonna do me good  
Yeah, yeah, yeah

Um yeah, it feels so good, loving you  
It's so good, the way you do the do

Yeah, feels so good that I need oxygen  
Little bit of heaven doing 24-7, ah

It feels so good loving you  
It's so good the way you do the do  
It feels so good loving you  
It feels so good making love to you
