One... Two...

One... Two... Three... Four...

Rockin' on top of the world
Rockin' on top of the world
The place is hoppin'... there ain't no stoppin'
Rockin' on top of the world
And if your spirits swing that girl
Rockin' on top of the world tonight

Rockin' on top of the world
Rockin' on top of the world
The place hoppin'... there ain't no stoppin'
Rockin' on top of the world
And if your spirits swing that girl
Rockin' on top of the world tonight... yeah

C'mon show me... woo... woo... yak yak...

Up here where it's freezin'... everybody needs some
heat
No more ringy dingy
Time to get up on your feet... yeah

Up on my feet

Rockin' on top of the world
Rockin' on top of the world
The place is hoppin'... there ain't no stoppin'
Rockin' on top of the world
Blow your horn and swing that girl
Rockin' on top of the world tonight... yeah

A duby duby duby yeah...

Up here where it's freezin'... everybody needs some
heat
No more ringy dingy
Time to get up on your feet... aah yeah

Get up on my feet

Rockin' on top of the world
Rockin' on top of the world
The place is hoppin'... there ain't no stoppin'
Rockin' on top of the world
Blow your horn and swing that girl
Rockin' on top of the world tonight

Rockin' on top of the world
Rockin' on top of the world
The place is hoppin'... there ain't no stoppin'
Rockin' on top of the world
Blow your horn and swing that girl
Rockin' on top of the world tonight... yeah

Duby duby duby duby...
