I don't know why I'm still here,
on my knees,
begging you not to leave.

Your lies choke me up with tears, your love isn't real.

Doesn't matter how hard I try,
I can't seem to get you off my mind.

Your words have stayed with me, all this time.

She doesn't know who I am.
You kept her from me.

Now she wants you back home, leaving me all alone.

I guess I'm not nearly as strong, as to get up and walk
away from you, like you do.

Your love isn't real..

Baby, you were never here..
