The way I feel
Whenever I think about you
May be just a fantasy
But when you're near
The look in your eyes can tell me
May be just my destiny
And I can't hide it anymore
The way you make me feel inside
The reason why I'm here tonight
Is just to tell you girl
(CHORUS)
If you need me to touch and to hold you
Baby call my name
If you want me to say that I love you
Baby call my name
(REPEAT)
You tell me now
That you talk, but I never listen
May be just a mystery
I hear them say
That the distance can bring us closer
May be just reality
And I can't hide it anymore
The way you make me feel inside
The reason why I'm here tonight
Is just to tell you girl
(CHORUS)
If you need me to touch and to hold you
Baby call my name
If you want me to say that I love you
Baby call my name
(REPEAT)
