Who ever said all is fair in love,
With all the joy but not the pain,
Each moment that you've been gone away,
I only dream of you,
I wish on a star and every night i pray,
Don't go, girl don't walk away,
I'm half of the man without you, sad and blue,
Don't go away,
'cause my heart is true,
Don't go please stay,
'cause i'm still in love with you.
I know i'm the one to blame,
For falling in love with an angel,
In my heart i found out
You were my everything,
Now my everything is gone,
Can someone tell me how to carry on
Don't go, girl don't walk away,
I'm half of the man without you, sad and blue,
Don't go away,
'cause my heart is true,
Don't go please stay,
'cause i'm still in love with you.
I'd climb all the mountains,
Cross the widest rivers
That's what i'd do, 'cause my love is true.
Don't go, girl don't walk away,
I'm half of the man without you, sad and blue,
'cause i'm still in love with you.
