What are you gonna do when I grow old?  
and the seasons don't get over your fault  
Are you gonna party all night long  
pretending you're restless  
Or would you wipe my tears away..

Come on mr. driver I wanna go far  
I wanna go where nobody else can hear  
About how I just cannot fit into his world  
I wanna go far away with all the words I got stuck in my  
throat

REFREIN:

So come on please, break my heart, oh, break it twice  
No I don't know how it feels, I don't know  
So come on please, break my heart, break it twice  
No I don't know how it feels,  
No I don't know how it feels,  
No I don't know how it feels to be turned down for  
somebody else

I put on my summerdress and I feel fine  
Although I'm waiting for some bad news to arrive  
Farewell, goodbye will do for tonight I think  
But he wasn't, take me away out to nowhere, once  
again

REFREIN:

So come on please, break my heart, oh, break it twice  
No I don't know how it feels, I don't know  
So come on please, break my heart, oh, break it twice  
No I don't know how it feels,  
No I don't know how it feels,  
No I don't know how it feels to be turned down for  
somebody else
