I haven't been hungry for days  
I bet you can tell by the look of my face  
No one sees the flame that keeps me up at night

I'm dreaming over and over again  
I know exactly where I wanna land  
But I'm scared to make my first flight

No I don't exactly remember, how or what went wrong  
But what I do know for sure is that I'm no longer blind to  
see his colourful charm  
And I'll be there happy ever after in my white beautiful  
wedding dress  
And he will kiss me after we both say, yes I do

If I wake up in a fairy tale  
With lovely elves around my bed  
They bring me coffee in the morning  
And they paint a picture in my head  
The only thing I'd have to do  
Is worry about you  
No don't do this to me  
I might be changing my own ways

No I don't exactly remember, how or what went wrong  
But what I do know for sure is that I'm no longer blind to  
see his colourful charm  
And I'll be there happy ever after in my white beautiful  
wedding dress  
And he will kiss me after we both say, yes I do

Ow he makes me feel  
Like there is a whole other space  
To fill with joy and grace

No I don't exactly remember, how or what went wrong  
But what I do know for sure is that I'm no longer blind to  
see his colourful charm  
And I'll be there happy ever after in my white beautiful  
wedding dress  
And he will kiss me after we both say, yes I do

Yeah he will kiss me after we both say yes I do
