It is a day I'd rather not talk about  
Avoid at all costs the subjects at hand  
A pretty face I'd rather not do without  
He asked me do you ever think about that?

When you are gone sing me  
This song this song  
Just to remind you and me  
With you and I and time does fly  
When you are gone sing me  
This song this song  
Just to remind you and me  
With you and I and time does fly

It is a day I don't wanna think about  
Avoid at all costs the matter at hand  
A beautiful smile I'd rather not be without  
He told me I'm sorry to hear about that

Sing this to me  
When time forces you to leave  
Just to remind you and me  
You and I and life does fly  
Sing this to me  
When time forces you to leave  
Just to remind you and me  
You and I and life does fly

Sing to me oohh  
Sing to me  
Sing to me ohhh  
Sing to me ohhh  
Sing to me  
Sing to me ohh

When you are gone sing me  
This song this song  
Just to remind you and me  
You and I and time just flies  
Sing this to me  
When time forces you to leave

Just to remind you and me  
You and I and life does fly

Oh sing to me  
Oh...  
Oh sing to me  
Oh...
