At last my love has come along
My lonely days over
And life is like a song

At last the skies above are blue
Well my heart was wrapped up in clover
The night I looked at you

I found a dream that I could speak to
A dream that I could call my own
I found a thrill to press my cheek to
A thrill that I have never known

Well, you smile, you smile
Oh and then the spell was cast
And here we are in heaven
For you are mine at last

I found a dream that I could speak to
A dream that I could call my own
I found a thrill to press my cheek to
A thrill that I have never known

Well, you smile, you smile
Oh and then the spell was cast
And here we are in heaven
For you are mine at last

Ooo yeah, you are mine, you are mine
At last, at last, at last, at last
