You're not a stranger to me
And you well, you're something to see
You don't even know how to please
You say a lot but you're unaware how to leave

My darlin' lives in a world that is not mine
An old child misunderstood out of time
Timeless is the creature who is wise
And timeless is the prisoner in disguise

Oh who is the beauty, who the beast?
Would you die of grieving when I leave?
Two children too blind to see
I would fall in your shadow I believe

My love is a man who's not been tamed
Oh, my love lives in a world of false pleasure and pain
We come from different worlds, we are the same my
love
I never doubted your beauty, I've changed
I never doubted your beauty, I've changed

Changed, who is the beauty
Where is my beast ?
(My love)
There is no beauty
Without my beast
(My love)

Who is the beauty?
([Foreign Content])
Who my love?
Oh, la bete, la bete
Where is my beast?
([Foreign Content])

Where is my beauty?
([Foreign Content])
My beauty, my beauty
My beautiful, beautiful
Beautiful, beautiful beast
