Do you always trust your first initial feeling?  
Special knowledge holds truth bears believing  
I turned around and the water was closing all around  
Like a glove, like the love that had finally, finally found  
me

Then I knew in the crystalline knowledge of you  
Drove me through the mountains  
Through the crystal like clear water fountain  
Drove me like a magnet to the sea

How the faces of love have changed turning the pages  
And I have changed oh, but you, you remain ageless  
I turned around and the water was closing all around  
Like a glove, like the love that had finally, finally found  
me

Then I knew in the crystalline knowledge of you  
Drove me through the mountains  
Through the crystal like clear water fountain  
Drove me like a magnet to the sea
