Crying in the morning, trying to be strong
Waiting for the spring to turn into the fall
Love don't mean what it says at all
My destiny says that I'm destined to fall

My destiny is riding again
Rolling in the rain, unwinding in the wind
My destiny is fighting again
Secretly unwinding
What it was that I was supposed to say
To say to you today

Well, it wasn't like the others, it was nothing at all
It wasn't like anything, it was easy to fall
Love don't mean what it says at all
My destiny says that I'm destined for it all

My destiny is riding again
Rolling in the rain, unwinding in the wind
My destiny is fighting again
Secretly unwinding
What it was that I was supposed to say
To say to you today

Crying...

Still crying in the morning, trying to be strong
Waiting for the spring to turn into the fall
Love never meant what it said at all
My destiny proved I was destined to fall

My destiny is riding again
Rolling in the rain, unwinding in the wind
My destiny is fighting again
Secretly unwinding
What it was that I was supposed to say
To say to you today

I am crying
I am trying to be strong
Heartbroken
Unspoken

You were nothing like the others
You were nothing like the others
Heartbroken
Unspoken

All gone
Nothing left at all
Heartbroken
Unspoken

I am trying to be strong
I am trying to be strong
Nothing, nothing changed at all...
