Words and Music by John Shanks and Damon Johnson.

Don't keep me hangin' on a string

Tell me what I feel is no big thing

Don't turn away, I'm listening

Over and over again

Don't give me visions to explain

There are no doubts I feel the strain

Of all my senses yearning

Over and over again

Chorus:

Every day I see you

Every day I need you

Every way I breathe you

On and on and on and on again

It's not important to wonder why

What is, just is, no more to imply

This simple thought repeating

Over and over again

Chorus

Imagine all the ways to cope

I close my eyes, that gives me hope

It cures the silence

Chorus
