I hear a voice in the room next to mine  
Feels good, sounds good  
Closes the door from behind  
And another voice comes through the door

I am dealing with a man  
When away from me stays deep inside my heart  
And he says if anyone falls in love  
It will be one of us

If anyone falls in love  
Somewhere in the twilight dreamtime  
Somewhere in the back of your mind  
If anyone falls

And I heard someone say  
As my eyes turned away  
He said, "I have loved many women  
I have many times run away"

Ooh, I have never known the words  
Well, I have tried to be true  
Well, I have never known what to say, how to say  
Seen anything today, I've never seen anything like you

If anyone falls in love  
Somewhere in the twilight dreamtime  
Somewhere in the back of your mind  
If anyone falls

So I'm never gonna see you deep inside my heart  
But I see your shadow against, shadow against  
Shadow against the wall  
Baby, I see your shadow against the wall

I hear a voice in the room next to mine  
Feels good, sounds good  
Closes the door from behind  
And another voice comes through the door

Ooh, I am dealing with a man  
When away from me, he stays deep inside my heart

Well, he says if anyone falls in love  
Well it will be done to us

If anyone falls in love  
Somewhere in the twilight dreamtime  
Somewhere in the back of your mind  
If anyone falls

If anyone falls in love  
Somewhere in the twilight dreamtime  
Somewhere in the back of your mind  
If anyone falls

If anyone falls in love  
Somewhere in the twilight dreamtime  
Somewhere in the back of your mind  
If anyone falls
