you've left me now and its seasoned my soul
and with every step you take
i watch another part of you go
i continue to build the wall
you were so strong i fell to my knees
and i don't think i can handle this at all

well, one more night i'd like to lie and hold you
(yes, and feel...)
to make you smile, i'd like to be there for you
have you forgotton...me

and the days go by
doin' nothin about them
how much time
will i have to spare

my mind won't rest, and i don't sleep
not even in my dreams
if you ever did believe for my sake
if you ever did believe

and the days go by
(by...)
doin' nothin' about them
how much time will i have to spare

and the days go by
(by...)
doin' nothin' about them
how much time will i have to spare

well, one more night i'd like to lie and hold you
(yes, and feel...)
to make you smile, i'd like to be there for you
have you forgotton...me

baby don't leave me
baby don't leave me
baby don't leave me
im down on my knees
