When you're all alone
And you need someone
Telephone and I'll come runnin'

Reconsider me
Reconsider me

If the past still makes you down
Darlin', that was then
And this is now

Reconsider me
Reconsider me

And I'll never make you sad again
'Cause I swear that I've changed since then
And I'll never make you sorry if you try
Let's let bygones be forgotten

Reconsider me
Reconsider me

Reconsider me
Reconsider me

You can go and be what you want to be
It will be alright if we disagree
I'm the one who cares and I hope you'll see
That I'm the one who loves you, reconsider me
Let's let bygones be forgotten

Reconsider me
Reconsider me

And I'll never make you sad again
'Cause I swear that I've changed since then
And I'll never make you sorry if you try

And I'll never make you sad again
'Cause I swear that I've changed since then
And I promise that I'll never make you cry

No, I'll never make you sad again
I swear that I've changed since then
And I'll never make you sorry, no, not if you try

I'll never make you sad again
But I promise that I'll never make you cry

Oh, reconsider me
Reconsider me
Reconsider me

No, I'll never make you sad again, oh no, oh no
No, I'll never make you sorry if you try
