Well, I've run through rainbows and castles of candy  
I cried a river of tears from the pain  
I try to dance with what life has to hand me  
My partner's been pleasure, my partner's been pain

There are days when I swear I could fly like an eagle  
And dark desperate hours that nobody sees  
My arms stretched triumphant on top of the mountain  
And my head in my hands, down on my knees

Sometimes it's a bitch, sometimes it's a breeze  
Sometimes love's blind and sometimes it sees  
Sometimes it's roses and sometimes it's weeds  
Sometimes it's a bitch, sometimes it's a breeze

I've reached in darkness and come out with treasure  
I've laid down with love and I woke up with lies  
What's it all worth only the heart can measure  
It's not what's in the mirror but what's left inside

Sometimes it's a bitch, sometimes it's a breeze  
Sometimes love's blind and sometimes it sees  
Sometimes it's roses and sometimes it's weeds  
Sometimes it's a bitch, sometimes it's a breeze

You gotta take it as it comes  
Sometimes it don't come easy

I've run through rainbows and castles of candy  
And I've cried a river of tears from the pain  
I tried to dance with what life had to hand me  
And if I could, I'd do it all over again

Sometimes it's a bitch, sometimes it's a breeze  
Sometimes love's blind and sometimes it sees  
Sometimes it's roses and sometimes it's weeds  
Sometimes it's a bitch, sometimes it's a breeze

Sometimes the picture just ain't what it seems  
You get what you want but it's not what you need  
Sometimes it's a bitch, sometimes it's a breeze  
Well, it's a breeze, it's a breeze, it's a breeze
