(kl)

Whenever I call you friend
I begin to think I understand
Anything we are
You and I have always been ever and ever

(kl/sn)

I see myself within your eyes
And that's all I need to show me why
Everything I do, always takes me home to you
Ever and ever

(kl)

Now I know my life has given me more
Than memories day by day...we can see
(sn)
In every moment there's a reason to carry on

(chorus) (kl/sn)

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight

Sweet love flowin' almost every night
I know forever we'll be doin' it right

(sn)

Whenever I call you friend
I believe I've come to understand
Everywhere we are you and I were meant to be
Forever and ever

(kl)

I think about the times to come
Knowin' I will be the lucky one
Ever our love will last

I always want to call you friend

(chorus) sax solo

(sn)

Now I know my life has given me more
Than memories...(kl)day by day...we can see

(sn)

In every moment there's a reason to carry on

(chorus)

Sweet love...sweet love yeah

Sweet love...sweet love yeah
