Once was a sweet thing baby
Held out her lovin' in our hands
Now I see you out somewhere
You won't give me the time of day

And that's a cold shot baby
Yeah, that's a drag
That's a cold shot, sure
We let our love go bad
Yes we have

Remember the way that you loved me
Do anything I said
Now I reach to kiss your lips
The touch don't mean a thing

And that's a cold shot baby
Yeah, that's a drag
And that's a cold shot baby
We let our love go bad

I really meant I was sorry
For ever causin' you pain
You showed your appreciation [Incomprehensible]
By walkin' out anyway

And that's a cold shot baby
Yeah, that's a drag
And that's a cold shot, sure
We let our love go bad
Yes we have

Cold shot baby, cold shot
[Incomprehensible]
Cold shot baby, cold shot die
