People talkin' but they just don't know
What's in my heart and why I love you so
I love you baby like a miner love gold
Come on sugar, let the good times roll
A lotta people live in make-believe
They keep a lotta dirt up their sleeve
My love, baby ain't the kind to fold
Come on sugar, let the good times roll
Our lovin's nice when it's understood
It's even nicer when you're feelin' good
You got me flippin' like a flag on a pole
Come on sugar, let the good times roll
