

Stevie Wonder "Ai No, Sono"

Visit "[Ai No, Sono](#)" on MotoLyrics.com

There is a garden
Where every heart can share
In the joy of giving

It like no other
Has love to cover
Bearing no price on living

Quietly listen
And you might hear them
Singing their lullaby
Calling for you to join in
Their love filled garden

Kibo-ni afure
Ikiru yorokobi
Shiawase ni michi te
Ai no rakuen
Subete no kokoro ga

Ai o wakachiau
Shizuka ni mimi katamuke yo
Ai no komori uta
Kimi sasoi yobikakenu
Ai no sono
