Ah ah listen everybody, specially you girls  
Is it right to be left alone when the one you love is never  
home  
I love too hard my friends sometimes say  
But I believe I believe that a woman should be loved  
that way  
But it hurts me so inside to see you treat me so unkind  
Somebody somewhere tell her it ain't fair  
Can I get a witness  
I want a witness  
Somebody  
I want a witness  
Is it right to be treated so bad when you give her  
everything you had  
Keep on talking in my sleep 'cause I haven't seen my  
baby all week  
Now you kids you all agree is that the way it's supposed  
to be  
Let me hear you, let me hear you say yeah, yeah, yeah  
Up early in the morning with her on my mind  
Took to find it out all night I been cryin'  
But I believe a woman's a man's best friend  
I'm gonna stick by hr till the very end  
Well she causes so much misery how's a gal supposed  
to be  
Somebody somewhere tell her it ain't right  
Can I get a witness, can I get a witness  
I want a witness  
Somebody  
Can I get a witness  
Everybody knows especially you girls  
That a love can be sad but my beloved's twice as bad  
Now you kids do all agree that ain't the way it's  
supposed to be  
Let me hear you, let me hear you say yeah, yeah, yeah  
I want a witness  
I want a witness  
Yeah, I want a witness  
Somebody  
Is it right to be treated so bad when you give her  
everything you had  
Keep on talking in my sleep 'cause I haven't seen my

baby all week  
Now you kids you all agree is that the way it's supposed  
to be  
Let me hear you, let me hear you say yeah, yeah, yeah  
I want a witness...
