When I see you on the street
My whole body gets weak
When you're standing in the crowd
Your love talks to me so loud
Girl, do I do what you do when I do my love to you

When I hear you on the phone
Your sweet, sexy voice turns my ear all the way on
Just the mention of your name
Seems to drive my head insane
Girl, do I do what you do when I do my love to you,
baby

Yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you
Yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you

My life has been waiting for your love
My arms have been waiting for your love to arrive
My heart has been waiting
My soul anticipating your love, love, love

From the time that I awake
I'm imagining the good love that we'll make
If to me your vibe can do all this
Oh, just imagine how it's gonna feel when we hug and
kiss
Sugar, do I do what you do when I do my love to you, all
right

Yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you
Yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you

My life has been waiting for your love
My arms have been waiting for your love to arrive

My heart has been waiting
My soul anticipating your love, your love, your love

Ladies and gentlemen
I have the pleasure to present on my album
Mr. Dizzy Gillespie, blow
Blow, blow, blow, blow, blow, blow

Do I do what you do when I do my love to you

Yea yea yea yea, yes I got some candy kisses for your
lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you
Yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you

My life has been waiting for your love
My arms have been waiting for your love to arrive
My heart has been waiting
My soul anticipating your love, your love, your
Love, love, love, love, love, love, love, love

Oh, I don't care how long it might take
'Cause I know the woman for me, you I'll make
And I will not deny myself the chance
Of being part of what feels like the right romance
Girl, do I do what you do when I do my love to you, oh
yeah

Yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you
Yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you

Oh yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you
Oh yes I got some candy kisses for your lips
Yes I got some honey suckle
Chocolate dripping kisses full of love for you
Oh yes I got some candy kisses for your lips
Yes I got some [incomprehensible] honey suckle
Chocolate dripping kisses full of love for you

Girl, I've got some chocolate kisses for your lovin'
baby, oh yea
Yes, do you want some candy?

Do you want some honey suckle?
Do you want some chocolate dripping kisses full of love
for you?
No no no no no no no no no no
Girl, if you felt everything you heard me say
Turn your feelings in your heart back to me right away
And I'll get it

Do I do what you do
When I do my love to you
Do I do what you do
When I do my love to you

Do I do what you do
When I do my love to you
Do I do what you do
When I do my love, Nate

I know the record's about to end
But we're just going to play and play until it goes away
So if you don't like the groove you can turn the record
off
It won't cost you nothin' but a penny and you'll have a
cough'
I know I cannot rhyme 'cause I ain't like a friend of mine
But I think I ha ha ha ha

Now everybody's talking about the jive is in
[Incomprehensible]
Well I know I've got something for your body
[Incomprehensible]
[Incomprehensible]
Earl, Earl
Earl playing by himself, man
Earl playing by himself, man
Earl playing by himself, man
Dennis playing by himself, man
Five, four, three, two
