When a good thing goes bad it's not the end of the world  
It's just the end of a world that you had with one girl  
And she's the reason it happened, but she's overreacting  
And it's all because she don't want things to change

So cry if you need to, but I can't stay to watch you  
That's the wrong thing to do  
Touch if you need to, but I can't stay to hold you  
That's the wrong thing to do  
Talk if you need to, but I can't stay to hear you  
That's the wrong thing to do  
Cause you'll say you love me, and I'll end up lying  
And say I love you, too

But I need someone different  
You know it, oh ho, you know it  
Oh ho, you know it, we both know it  
I need someone different  
You know it, oh ho, you know it  
Oh ho, you know it, we both know it  
Something's been missing  
You know it, oh ho, she knows it  
Oh ho, I know it, we all know it  
I need someone different  
Oh ho, oh ho

We live in a generation of not being in love, and not being together  
But we sure make it feel like we're together  
Because we're scared to see each other with somebody else
