For once in my life I have someone who needs me  
Someone I've needed so long  
For once, unafraid, I can go where life leads me  
Somehow I know I'll be strong

For once I can touch what my heart used to dream of  
Long before I knew  
Oh someone warm like you  
Would make my dream come true  
Yeah yeah yeah

For once in my life I won't let sorrow hurt me  
Not like it's hurt me before  
For once, I have something I know won't desert me  
I'm not alone anymore

For once, I can say, "This is mine, you can't take it"

As long as I know I have love, I can make it  
For once in my life, I have someone who needs me  
Hey yeah, oh baby, oh baby

For once in my life I won't let sorrow hurt me  
Not like it's hurt me before  
For once, I have something I know won't desert me  
I'm not alone anymore

For once, I can say, "This is mine, you can't take it"  
As long as I know I have love, I can make it  
For once in my life, I have someone who needs me

Oh for once in my life, yeah somebody like needs me  
Ooh baby
