You know it doesn't make much sense  
There ought to be a law against  
Anyone who takes offense  
At a day in your celebration

'Cause we all know in our minds  
That there ought to be a time  
That we can set aside  
To show just how much we love you

And I'm sure you would agree  
It couldn't fit more perfectly  
Than to have a world party  
On the day you came to be

Happy birthday to you  
Happy birthday to you  
Happy birthday  
Happy birthday to you  
Happy birthday to you  
Happy birthday

I just never understood  
How a man who died for good  
Could not have a day that would  
Be set aside for his recognition

'Cause it should never be  
Just 'cause some cannot see  
The dream as clear as he  
That they should make it become an illusion

And we all know everything  
That he stood for time will bring  
For in peace our hearts will sing  
Thanks to Martin Luther King

Happy birthday to you  
Happy birthday to you  
Happy birthday  
Happy birthday to you  
Happy birthday to you

Happy birthday

Why has there never been a holiday, yeah  
Where peace is celebrated  
All throughout the world

The time is overdue  
For people like me and you  
Who know the way to truth  
Is love and unity to all God's children

It should never be a great event  
And the whole day should be spent  
In full remembrance  
Of those who lived and died for the oneness of all  
people

So let us all begin  
We know that love can win  
Let it out don't hold it in  
Sing it loud as you can

Happy birthday to you  
Happy birthday to you  
Happy birthday  
Happy birthday to you  
Happy birthday to you  
Happy birthday

Happy birthday to you  
Happy birthday to you  
Happy birthday  
Happy birthday to you  
Happy birthday to you  
Happy birthday

Happy birthday  
Happy birthday  
Happy birthday  
Ooh yeah  
Happy birthday  
Happy birthday  
Happy birthday

We know the key to unify all people  
Is in the dream that you had so long ago  
That lives in all of the hearts of people  
That believe in unity  
We'll make the dream become a reality  
I know we will  
Because our hearts tell us so

Happy birthday  
Happy birthday  
Happy birthday
