There are people who have let the problems of today
Lead them to conclude that for them life is not the way
But every problem has an answer and if yours you
cannot find

You should talk it over to Him
He'll give you peace of mind
When you feel your life's too hard
Just go have a talk with God

Many of us feel we walk alone without a friend
Never communicating with the One who lives within
Forgetting all about the One who never ever lets you
down

And you can talk to him anytime He's always around
When you feel your life's too hard
Just go have a talk with God

Well He's the only free psychiatrist that's known
throughout the world
For solving problems of all men, women, little boys and
girls

When you feel your life's too hard
Just go have a talk with God
When you feel your life's too hard
Just go have a talk with God
When your load's too much to bear
Just go talk to God He cares
I know he does

When you feel your life's too hard
Just go have a talk with God
thank you
thank you very much
