I took a worthless trip
Down life's avenue
Just to try to find a way to smile again
While I was on my way
I met a wise man who said
That happiness you only find within
I learned my lesson then

So I go sailing
Through the rivers of my mind
I go sailing
Be surprised what you can find
I go sailing
Through the rivers of my mind
Take a chance on your mind
Be surprised what you'll find

I took a friend's advice
Who said go up and away
Take the magic of a mystery tour
But I felt so all alone
Though I could almost touch the stars
I started missing things I touched before
The tour was such a bore

So I go sailing
Through the rivers of my mind
I go sailing
Be surprised what you can find
I go sailing
Through the rivers of my mind
Take a chance on your mind
Be surprised what you'll find
[Repeat]
