Honey you make me feel like you care a lot  
But I-I-I-I, I love you too much  
Baby you make me feel like you need me a lot  
But I-I-I-I, honey I need you too much

When you say those words of love to me  
It makes me feel so good inside  
But when the sunshine comes and you must leave  
It only leaves me with my own foolish pride

Baby you make me feel like you care a lot  
But I-I-I-I, honey I love you too much  
Baby you make me feel like you care a lot  
But I-I-I-I, honey I love you too much

Oh when you say those words of love to me  
I know you know you make me feel so good inside  
But if by break of day you never can stay  
There must be something in our love that I don't know  
about  
That you feel you've got to hide

You make me feel like you care a lot  
But I-I-I-I, honey I love you too much  
Baby you make me feel like you care a lot  
But I-I-I-I, honey I love you too much

Hey I love you, I love you, love, love you  
Baby, baby, baby, baby  
Baby, baby, baby, baby  
I love you, I need you, I love you  
Feel me, feel me, feel me  
Feel me, love me, love me

I love you baby, don't let nobody tell you that  
I love you baby, oh oh I love you  
Baby, have you ever wished  
That forever nighttime could last  
Don't leave my heart a broken glass  
Baby oh oh

Sometimes I feel like I love you

I love you, I love you, I love you, I love you  
Maybe three much yeah, I love you

You make me feel like you care a lot  
But I-I-I-I, I love you too much  
You make me feel like you care a lot  
But I-I-I-I, honey, I love you too much  
You make me feel like you care a lot  
But I-I-I-I, I love you too much
