

## Stevie Wonder "If You Really Love Me"

And if you really love me won't you tell me..  
And if you really love me won't you tell me..  
And if you really love me won't you tell me..  
Then I won't have to be  
Playing around

You call my name  
Oooh so sweet  
To make your kiss incomplete  
When your mood is clear  
You quickly change your ways  
Then you say I'm untrue  
What am I supposed to do  
Be a fool who sits alone waiting for you

But if you really love me won't you tell me..  
But if you really love me won't you tell me..  
And if you really love me won't you tell me..  
Then I won't have to be  
Playing around

I see the light of your smile  
Calling me all the while  
You are saying baby  
It's time to go...  
First the feeling's alright  
Then it's gone from sight  
So I'm taking out this time to say

Oh if you really love me won't you tell me..  
Oh if you really love me won't you tell me..  
And if you really love me won't you tell me..  
Then I won't have to be  
Playing around no  
Playing around no  
Hey yeah  
Goofin' around no  
Oh baby  
Playing around no  
Let me know how you feel baby  
Hey oh baby  
Playing around no
