(doo doo doo doo)

As around the sun the earth i see's revolving  
and the rosebuds know to bloom in early may  
cos this hates knows love's the cure  
you can rest your mind a sure  
that i'll be loving you always

now every vail the mystery of tomorrow  
but in something we'll grow older everyday  
just as all these things are new  
you know what i say is true  
that i'll be loving you always

Chrous

(until the rainbow burns out the stars in the sky)  
always!  
(until the ocean convers every mountain high)  
Always!  
(until the darkness covers everything i see)  
Always!  
(until dream of light and light becomes a dream)

Did you know that true love adds to nothing  
Her acceptance is a wining gain  
Did you know that life is giving love again  
to last you forever and another day

Just as time has had to move on since the begining  
and the seasons know exactly when to change  
just as kindess knows no shame  
but goes through all your joy and pain  
I'll be loving you always

as the day i learn i'm living by tomorrow  
that makes me the past but i musn't fear  
but i know deep in my mind  
the love of me i've left behind  
cos i'll be loving you always

Chrous

(until the day is night and night becomes the day)  
Always!  
(until the trees and seas jump up and fly away)  
Always!  
(until that day you can't say no more)  
Always!  
(until that day is one that i no more)  
Did you know you're loved by somebody!  
(until the day the earth stops turning round no more)  
Always!  
(until the oceans \_\_\_\_\_)  
I'll be loving you forever!  
(until mother nature says her work is through)  
Always!  
(until the day you are ma nd i am you)  
Always!  
(until the rainbow burns the stars out in the sky)  
Yeh!  
(until the ocean swallows every mountain high)  
Always!

(Instrumental)

I'll be loving you  
(until the rainbow burns the stars out in the sky)  
loving you!  
(until the ocean swallows every mountain high)  
loving you  
(until the day is night and night becomes the day)  
I'm loving you  
(until the day is night and night becomes the day)  
loving you  
(until the trees and seas jump up and fly away)  
Loving you..  
(until the playground is the playground of no more)  
Loving you  
(until the day the earth stops turning round no more)  
Loving you!  
(until the day that i cant turn right or left)  
Loving you!  
(until the earth goes for the sun and burn out instead)  
Loving you!  
(until the day that you are me and i am you)  
(until the rainbow burns the stars out in the sky)  
(until the ocean swallows every mountain high)  
(until the day is night and night becomes the day)  
(until the trees and seas jump up and fly away)  
(until the playground is the playground of no more)  
(etc.....)
