You can bet youre sweeter than ever
And your love is making it better
I can feel it in my bones
Ooh each time were alone

Cause I live in ecstasy
And my soul refuses sleep
Cause joy, joy takes over me

Through thick and thin Ill stand
Loving you always
Yes I need you mama
To take the heartache away
I know the suns gon shine
And as long as youre mine
Its joy, joy, joy I feel inside

Your loves potion
Gives me the notion
To shout out loud
ooh baby baby baby babe
Like a spinning top
I cant stop
Just loving you
You know Stevie loves you
Needs you baby oh yeah

You know my love is sure to live
Aint goin nowhere
And I do believe girl
You were meant for me

Cause I live in ecstasy
And my soul refuses sleep
Cause joy, joy takes over me

Oh baby joy
Joy, joy, joy, joy
joy joy joy joy joy joy
The way you love me joy
Takes over me
Oh the way you love me

The way you need me
Baby please dont leave me
I get joy.
