You can bet you're sweeter than ever
And your love is makin' it better
I can feel it in my bones each time we're alone
I live in ecstasy and my soul refuses sleep
'Cause joy, joy joy takes over me

Through thick and thin, I'll stand lovin' you always
Yes, I need you mama, to keep the heartaches away
I know the sun's gon' shine as long as you're mine
'Cause joy, joy joy I feel inside

Your love's potion gives me notion
To shout out loud, baby baby baby baby
Like a spinning top, I can't stop lovin' you
You know Stevie loves you, I need you baby

You know my love is [incomprehensible] live
Ain't it turnin' and I do believe, girl
You were meant for me 'cause I live in ecstasy
And my soul refuses sleep 'cause joy takes over me

Baby, joy, joy joy joy joy
Joy joy joy joy joy joy
The way you love me joy, baby
Takes over me

Oh, the way you love me
The way you need me
Baby, please don't leave me
I get joy, joy, joy
