Never tears or sorrows
Came before me in my mind
I had no problems, never a problem in my life
Never a worry on my mind

All my days before today were happy
And secure until your phone call
You were tellin' me goodbye

And now I'm lookin' for another love
I'm lookin' for another pure love in my life
Oh, and now I'm lookin' for another love
I'm lookin' for another pure love in my life

Now the wheel of fate has turned
I'm worried 'bout the new love you've discovered
He is a problem in my life
I have a problem on my mind

Things you cherish most in your life
Can be taken if they're left neglected
Leavin' a problem in your life, life

'Cause now I'm lookin' for another love
I'm lookin' for another pure love in my life, oh
And now I'm lookin' for another love
I'm lookin' for another pure love in my life, oh

Lookin' for another love
I'm lookin' for another pure love in my life
And now I'm lookin' for another love
I'm lookin' for another pure love in my life

And now I'm lookin' for another love
I'm lookin' for another pure love in my life
