Listen Baby,  
Every day I want to fly my kite,  
Every day I want to fly my kite,  
An' every day I want to get on my camel an' ride.  
Oo yea

Every day I want to shake your hand, yea, yea, yea,  
For in the world makin' me a better man,  
An' every day I want to get on my camel an' ride  
(On my camel ride, on my camel)  
Oo Baby

And when the day is through,  
Nothin' to do, sit around groovin' with you,  
And I say it 'cause I love having you around,  
And I say it 'cause I love having you around. Yea

Everyday I want to be your friend, (be your friend)  
'Cause you have stuck with me through thick and thin  
An' every day I want a smile in your lovely brown eyes,  
(smile at your lovely brown eyes)  
Oh yea

Every day I'm gonna give my share,  
'Cause I know your gonna take me there, (hey, hey)  
An' every day I want to get on my camel an' ride, Oo

And when the day is done,  
Nothin' to do, spend all my time just loving you, (oh,

An' I say it 'cause I love having you around, mm Baby  
And I say it 'cause I love Oo having you around  
Yea, yea, yea, yea

An' in the end I know you'll be with me,  
'Cause you made my soul so free, (so everyday)  
an' every day I wanna get on my camel an' ride, yea  
(on my camel)

And when the day is through,  
Nothin' to do, spend all my time just lovin' you  
An' I say it 'cause I love yea having you around.
