I never dreamed, you'd leave in summer
I thought you would go, then come back home
I thought the cold would leave by summer
But my quiet nights will be spent alone

You said, there would be warm love in springtime
That is when you started to be cold
I never dreamed you'd leave in summer
But now I find myself all alone

You said then, you'd be the life in autumn
Said, you'd be the one to see the way
No, I never dreamed you'd leave in summer
But now I find my love has gone away
Why didn't you stay?
