(Cast)

five hundred twenty five thousand six hundred minutes

five hundred twenty five thousand moments so dear

five hundred twenty five thousand six hundred minutes

how do you measure? measure a year

in daylights,

in sunsets,

in midnights, in cups of coffee,

in inches, in miles, in laughter, in strife

in five hundred twenty five thousand six hundred
minutes

how do you measure a year in a life?

how about, love?

how about, love?

how about, love?

measure in love...

seasons of love...

seasons of love...

(Stevie)
