When the lights are down  
And the stage is bare  
And no more magic's in the air  
There's not a friend in sight to care  
Your tears no one will share  
I'll be your comfort through your pain  
I'll be your shelter in the rain

When your sad is bad and your bad is worst  
And there's no who to turn to first  
When you've done everything you can  
No one's there to take your hand  
I'll be you comfort through your pain  
I'll be your shelter in the rain

When you've looked around  
And haven't seen me anywhere  
Though when you were down  
I lifted you up from there  
There isn't a thing you can ask of me  
I won't do  
Just you put your trust in me  
My love will see you through

When the final candle's flickered out  
"Why me" is all you can think about  
When all your joy has disappeared  
Your future isn't clear  
I'll be you comfort through your pain  
I'll be your shelter in the rain

When all the odds say there's no chance  
Amidst the final dance  
I'll be you comfort through your pain  
I'll be your shelter in the rain  
I'll be you comfort through your pain  
Yes, I'll be your shelter in the rain, rain  
I'll be your shelter,  
Be your shelter, be your shelter in the rain
