There is something on my mind that's in my heart  
written on my face  
And it would behove me and my soul if I did state my  
case  
And so as truth is real and real is truth this truly must  
be told  
That you've got to be the sweetest somebody I Know

It's your love for life, your love for God, your love for  
love and more  
And you express your love in ways like I've never known  
before  
If there's a record kept on who's the sweetest let the  
record show  
That you've got to be the sweetest somebody I Know

You are the sweetest somebody I know  
And that is why I can't help but love you so

In a time when people are on with making sure that  
they're okay  
You pour out your love every second, every minute,  
every hour of the day  
I'm not trying to blow your horn I'm only saying what is  
so  
That you've got to be the sweetest somebody I Know

You are the sweetest somebody I know  
And that is why I can't help but love you so

When I feel like from giving up from seeing all life's  
pain and strife  
You rejuvenate me saying everything's gonna be  
alright  
If there's a place called "heaven" bet my life someday  
you're gonna go  
Cause you've got to be the sweetest somebody I Know

You are the sweetest somebody I know  
And that is why I can't help but love you so [repeat]
