Tuesday heartbreak seem to be unfair,
Cause you say that you found another man,
Tuesday break heart, guess you just don't care,
Cause you found you another man

I want to be with you when you're all alone,
I want to be with you
when you feel you got another man,
You see, baby, it's all alright

I wanna be with you when the nighttime comes,
I wanna be with you when the daytime comes,
I wanna stay, oh baby, lemme, baby with you

Tuesday heartbreak seem to be a drag,
When you know that you love her especially,
Catch up baby, catch up with my dreams,
Maybe than I can see you all the time

But I wanna be with you when the nighttime comes
I wanna be with you when the daytime comes,
I wanna stay and never go away,
Oh baby, it's alright

I wanna be with you when the nighttime comes,
I wanna stay with you till the morning runs,
I wanna, baby, baby, baby, it's alright

I wanna be with you when the nighttime comes,
I wanna be with you till the daytime comes
Oh baby, get away, alright
