Try to see things my way  
Do I have to keep on talking  
Till I can't go on?

While you see it your way  
Run the risk of knowing  
That our love may soon be gone

We can work it out  
We can work it out

Think of what you're saying  
You can get it wrong  
And still you think that it's alright

Think of what I'm saying  
We can work it out and get it straight  
Or say good night

We can work it out  
We can work it out

Life is very short  
And there's no time  
For fussing and fighting, my friend

I have always thought  
That it's a crime  
So I will ask you once again

Try to see things my way  
Only time will tell  
If I am right or I am wrong

While you see it your way  
There's a chance  
That we might fall apart  
Before too long

We can work it out  
We can work it out

We can work it out  
We can work it out  
We can work it out

Try to see things my way  
Only time will tell  
If I am right or I am wrong

While you see it your way  
There's a chance  
That we may fall apart  
Before too long

We can work it out  
We can work it out

Think of what you're saying  
You can get it wrong  
And still you think that it's alright

Think of what I'm saying  
We can work it out and get it straight  
Or say good night

We can work it out  
We can work it out  
We can work it out  
We can work it out  
We can work it out
