Oh yeah

With a child's heart
Go face the worries of the day
With a child's heart
Turn each problem into play

No need to worry
No need to fear
Just being alive
Makes it all so very clear

That with a child's heart
Nothing can ever get you down
With a child's heart
You've got no reason to frown

Love is as welcome
As a sunny sunny day
No grown-up thoughts
To lead our hearts astray

Take life easy, easy, so easy
Like a child so gay and carefree
Yeah yeah yeah yeah

Love is as welcome
As a sunny sunny day
The whole world smiles with you
As you go your merry way

'Cause with a child's heart
Nothing can ever get you down
With a child's heart
You've got no reason
