Yester-me, yester-you, yesterday

What happened to the world we knew
When we would dream and scheme
And while the time away
Yester-me, yester-you, yesterday

Yeah, where did it go, that yester glow
When we could feel
The wheel of life turn our way
Yester-me, yester-you, yesterday

I had a dream, so did you
Life was warm and love was true
Two kids who followed all the rules
Yester fools and now

Now it seems those yester dreams
Were just a cruel and foolish game
We used to play
Yester-me, yester-you, yesterday

When I recall what we had
I feel lost, I feel sad
With nothing but the memory of
Oh, yester love and now

Now it seems those yester dreams
Were just a cruel and foolish game
We had to play
Yester-me, yester-you, yesterday

Yester-me, yester-you, yesterday
Sing it with me
Yester-me, yester-you, yesterday
One more time, yeah
