Enslaved!

Discordant, enchanting, morbid yet focused firm
A whisper of evil sounds ghastly and disturbed
Flamboyant disturbing the shock attracts me there
Ring master the leader three ring torture abbatoir

Prepare for the abbatoir!

There's sickness in numbers so terribly deranged
No eager resistance to pull my soul away
A matrix that guides them tells me that all wrong is
Right
Subconscious has held out apprehension fails

Prepare for the abbatoir!

Suspirian planet summons me to go to them
They force me to follow I have no choice I'm now it's
Slave

Enslaved!

A witness to... suspiria
From my skull explodes my eyes

And there they roll across the land
A witness to... suspiria
Fragile quest lies right ahead
On I go into this world

Enslaved!

A witness to... suspiria
Madness looms through visuals
What I see I can't explain

I just can't explain

Discordant, enchanting, morbid yet focused firm
A whisper of evil sounds ghastly and disturbed
Flamboyant disturbing the shock attracts me there

Ring master the leader three ring torture abbatoir

Fed to the abbatoir!

Suspirian planet summons me to go to them
They force me to follow I have no choice I'm now it's
Slave

A slave, their slave, insane in suspiria!
