Seven more hours in Belfast  
The pound so old it's a pity  
Okay, there's the Trident in Bangor  
And then you walk back to the city

We ain't got nothin' but they don't really care  
They don't even know you know  
They just want money  
We can take it or leave it  
What we need

Is an alternative ulster  
Grab it, change it, it's yours  
Get an alternative ulster  
Ignore the bores and their laws

Get an alternative ulster  
Be an anti-security force  
Alter your native ulster  
Alter your native land

Take a look where you're livin'  
You got the army on the street  
And the R U C dog of repression  
Is barking at your feet

Is this the kind of place you wanna live?  
Is this where you wanna be?  
Is this the only life we're gonna have?  
What we need

Is an alternative ulster  
Grab it, change it, it's yours  
Get an alternative ulster  
Ignore the bores and their laws

Get an alternative ulster  
Be an anti-security force  
Alter your native ulster  
Alter your native land

And they say they're a part of you

And that's not true you know  
They say they got control of you  
And that's a lie, you know  
They say you will never be  
Free, free, free
