Well, you get you entertainment  
Through a corporate plan  
Via 5 young athletes in a dancing band

Who are trained to act moronically  
And smile on demand  
'Cos it makes more money for the company man

Well, it might make all  
The young girls hearts beat faster  
But it don't amuse this cynical, old bastard

I believe  
I believe in the power of guitar and drum  
I believe in the hope held in a song  
I believe that the music makes you strong  
I believe in the power of guitar and drum

Well, theirs are songs about heartbreak  
Theirs are songs about love  
Theirs are songs about sex sung by an eight year old

And there's no one making statements  
'Cos rebellion don't pay  
And they'd rather that you bought this  
Cos it's safer that way

Well, I can't believe that everyone is happy  
With the newest teen sensation, carbon copy

I believe  
I believe in the power of guitar and drum  
I believe in the hope held in a song  
I believe that the music makes you strong  
I believe in the power of guitar and drum

You gotta eat McFood, lay with Barbie, drink Coca-Cola  
Don't do anything that marks you as solo  
Only use your brain for playing Nintendo  
Consume everything with corporate logos

Eat McFood, lay with Barbie, drink Coca-Cola

Don't do anything that marks you as solo  
Only use your brain for playing Nintendo  
Consume everything with corporate logos

Go on ahead, make all the fat cats fatter  
And for God's sake don't say anything that matters

I believe  
I believe in the power of guitar and drum  
I believe in the hope held in a song  
I believe that the music makes you strong  
I believe in the power of guitar and drum

I believe in the power of guitar and drum  
I believe in the hope held in a song  
I believe that the music makes you strong  
I believe in the power of guitar and drum
