Inflammable material is planted in my head  
It's a suspect device that's left 2000 dead

Their solutions are our problems  
They put up the wall  
On each side time and prime us  
Make sure we get fuck all

They play their games of power  
They try to mark the pack  
They deal us to the bottom  
But what do they put back?

Don't believe them  
Don't believe them  
Don't be bitten twice  
You gotta sus-sus-suspect device

They take away our freedom  
In the name of liberty  
Why can't they all just clear off  
Why can't they let us be

They make us feel indebted  
For saving us from hell  
And then they put us through it

It's time the bastards fell

Don't believe them  
Don't believe them  
Don't be bitten twice  
You gotta sus-sus-suspect device

Don't believe them  
Don't believe them  
I try to question everything you're told

Just take a look around you  
At the bitterness and spite  
Why can't we take over  
And try to put it right

Please don't believe us  
Don't believe us  
Don't be bitten twice  
You gotta sus-sus-suspect device

We're a suspect device if we do what we are told  
But a suspect device can score an own goal  
I'm a suspect device the Army can't defuse  
You're a suspect device they know they can't refuse

We're gonna blow up in their face
