Paddy is waiting in Drogheda town  
For the train to carry him south  
Another drunken night on the town  
Messing around

The Roaring Boys, the roaring boys  
It's all the same to the roaring boys  
They come into town just to make some noise  
Oh the life of the roaring boys

Drinking and fighting and acting the fool  
Shouting insults and thinking you're cool  
Telling lies and believing they're true  
Who's fooling who

(Chorus rpt:)

Oh the life of the roaring boys.

Won't you tell me all your cares and problems  
Won't you tell me why you look so blue  
I'll take you into town, yeah, show you a thing or two  
I know every bar and nightclub  
Yeh, no two will be the same  
I know every nightclub doorman  
And they'll all know my name  
They all know my name

Hey Charlie can you lend us a tenner  
Just until Saturday night  
You know I'll pay you back man  
You know I'll see you right cos

Chorus:  
I am a roaring boy  
A wild colonial boy  
I'll party all night long  
Roaring boy

Hey Stevie, let's hit the town  
I've got some money that I want to spend  
Let's go out on a bender, let's get drunk again

But,  
Don't tell me 'bout your cares and problems  
Cos' I don't really want to know  
I've got train to catch yeah  
And I have got to go cos

(Chorus: x 2)
