You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

Persecution you must fear
Win or lose you're gonna get your share
Got your mind set on a dream
You can get it as hard as it seems, yeah

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

Rome was not built in a day
Opposition will come your way
But the harder the battle seems
It's the sweeter the victory, yeah

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

Oh yeah, I know it, alright

You can get it if you really want it
You can get it if you really want it
You can get it if you really want it
You can get it if you really want it

You can get it if you really want it
You can get it if you really want it
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

You can get it if you really want

You can get it if you really want it
You can get it if you really want
You can get it if you really want it

You can get it if you really want it
You can get it if you really want it
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last

Oh yeah, i know it, alright
